

PHOTO CONTEST RULES AND REGULATIONS

October 4-5 Together for Adoption NatCon 2013

Would you like to win a **FREE** registration to this year's [Together for Adoption national conference](#)?! Together for Adoption is having a **Photography/Graphic Design Contest**. If you are interested, please read on about **our contest's 3 categories**. We will give the winner publicity on both the Together for Adoption and "LIVE in the Story" websites. Best of luck in your submissions!

For the Photographer: We are also hoping that by covering the expenses for your conference registration, meals and lodging, you will help us capture the essence and spirit of this year's conference by putting your photographic talents to use for us! As the winning photographer, we would like to enlist your help in taking photos off and on during both days of the conference. We would be happy to answer your questions about any further details. Please email nemili.johnson@togetherforadoption.org.

1. "Live in the Story" Facebook Cover

Together for Adoption wants you to be encouraged to "Live in the Story" of Christ's redemption every day. Send us 1-3 of your BEST photos that show how God's redemption has worked or is working in your life and/or the lives of your friends, family members, neighborhoods, and/or city! We would love a short description attached to hear your personal thoughts on your photography! [Check out this guide for Facebook Covers](#) to ensure that the photos you take will work well with cover dimensions.

2. The Story that Changes Everything -- for Us and the Fatherless!

The theme of this year's 2013 Together for Adoption conference is "The Story that Changes Everything." However, we all live our own personal stories within *the* Story. So, send us 1-3 of your BEST photos that "tell" us a little of an orphan care or adoption story that has moved you. We would love a short description attached to hear your personal thoughts on your photographs!

3. Free-style Graphic Design

We want those of you who enjoy designing to be encouraged as well! Send us 1-2 of your BEST graphic designs that give us a sense of your interpretation of the orphan crisis, your own adoption story or an adoption story that has moved you. We would love a short description attached to hear your personal thoughts on your artistry!
