Conference Worship Leaders

Jimmy McNeal

Jimmy McNeal has a sincere desire for the members of the body of Christ to devote their whole lives to worshiping God not only inside but also outside the walls of the church building. Jimmy's energy and passion for God is contagious, and he leads out of an overflow of his love for Jesus. Serving as one of the Worship Leaders at [The Austin Stone Community Church](#), God continues to challenge him and his bandmates to live out the call God has placed on their lives through love, service, and missional living.

Kaleb Scharmahorn

Kaleb Scharmahorn is a committed local church guy with a passion for the fatherless. He serves as Worship Pastor at [Salty Church](#) in Ormond Beach, Florida. Kaleb and his wife, Meagan, founded and direct 'The Igniting Hope Foundation' that specifically exists to serve and support the people and orphans of Nicaragua. They have two beautiful little girls and are hoping God would bless them with many more. Kaleb graduated with a Bachelor's degree in Biblical & Theological studies from Mid-Continent University and when he is not leading worship, writing, or

spending time with his family, you can be sure to find him out cycling or trying to surf. [Listen to Kaleb's music](#) (especially his song "I'll Trade the World for You").
