## Together for Adoption

Together for Adoption is a ministry that exists to equip the church in its God-given ministry to orphans (James 1:27) by focusing primarily on vertical adoption (i.e., God adopting us in Christ) and secondarily on its implications for orphan care and horizontal adoption (i.e., couples adopting children).

Together for Adoption believes that a deepening understanding of how God in Christ has come to us in *our* affliction will result in a greater compassion for orphans in *their* affliction.

Therefore, our mission is to serve the church in its ministry to orphans by preaching the Gospel and exploring its profound implications for the care of orphans and horizontal adoption.

Adopted by God,

*Dan Cruver*  
*Jason Kovacs*
